BRIEF ABSTRACT OF LETTER.

Reports on the present state of affairs in regard to the above Bank & requests orders as to the collection of instalments due from the members.

However there is no direct reference to the Demand Do in the body of the letter. There are no enclosures to the letter though reference is made to several letters in the matter from the Inspector of Agl Banks & the Comptr. Perhaps it was not considered necessary for the disposal of the question. The letter however gives a succinct acct of the present state of the affairs of the Bank. The members have had sufficient favours shewn them which they seem to have repeatedly abused. & when the authorities shewed that they were in earnest about the recovery of dues now, the members suddenly stir themselves into a state of activity & request stay of sale. Their allegations in regard to the poorness of the crop are not completely

became out by the authorities, but it is further stated that they are harvesting their area crop & that the lands are valuable from which it may be inferred that they are well to do. It would therefore seem that there is not much reliance to be placed on the members allegations & their prayer for further extension of time deserve no consideration.

If considered necessary the Inspector may be requested to give his opinion in the matter.

In re the Agricultural Bank at Kyatsandra, Tumkur taluk, wound up in 1909, solicits orders whether the outstanding balance should be recovered in 3 instalments in December, February and April next, or after one year.

GPB—70 reams—27-12-09

Office of the

Deputy Commissioner, Tumkur District,

Dated Tumkur, 17th November 1910.

From,

K. Doraswami Iyer Esqr.,

Deputy Commissioner,

Tumkur District.

To,

C.S.Balasundaram Iyer Esqr.,B.A.,

Offg. Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments,

B a n g a l o r e.

Sir,

In inviting reference to the marginally noted Government Orders regarding the recovery of the loan granted to the Agricultural Bank at Kyatsandra Tumkur taluk, I have the honor to state as follows:-

Y Government Order No. Fl 1040/R.F.113-9b dated 23-8-1904.

X Government Order No. Fl.507-9/B.8-06-10 dated 2-8-1907.

2. The loan granted to this bank was ordered to be recovered by means of coercive measures so far back as the year 1904 but on the representation of the members, the bank was allowed to continue till the end of December 1907,and coercive measures were ordered to be stayed on condition of the bank paying up Rupees 3266/- as promised, before the end of that date. The promise was however not fulfilled and the bank again failed to pay up the annual instalment of Rupees 1500/- due for that year.

3. The Inspector of Agricultural Banks in his docket No.531 dated 15th April 1908 intimated that the agent of the Bank had reported that some of the members were in arrears of four instalments, that the bank had till then paid only Rupees 100/- against the instalment of Rupees 1500/- due at the end of December 1907 and requested to be informed how far

coercive measures had been adopted against the defaulting members . This was sent to the Amildar for needful action.

4. The Amildar reports that the bank wound up its affairs in the year 1909 and that coercive measures were adopted by him in September 1909 by issuing notices to the members . The Inspector of Agricultural Bank having again requested the adoption of coercive measures in his communications as noted in the margin orders were sent to the Amildar who notified the lands for sale on the 22nd August 1910 . The sale however was stayed as the members paid up some money and again presented a petition praying for time . On this date they executed a muchalika before the Amildar agreeing to pay the entire balance before the end of September 1910. The members having failed to fulfil their promise , the Amildar again notified their lands for sale on the 7th instant.

No 531 dated 8th October 1909	
No 11171 A.B. 39 dated 27th April 1910.	
No 85 /A.B. 39 dated 18th July 1910.	

5. The balance due to Government by the Bank on the 30th June 1910 as per Comptroller's docket No 2766-71/ 518-23 dated 5th November 1910 was Rs 4028 towards the principle and Rs 84/- towards the interest. When coercive measures were adopted in August last Rs 1735/- were recovered and ~~that~~ the Amildar reports that the balance outstanding on this date was Rs 2275/- ..

6. It is reported that the lands of the members are valuable ones . As regards the allegation made by the petitioners that the crops have not yet been harvested and that the dry crops have been damaged by excessive rain, the Amildar reports that it is true that the crops have been damaged to some small extent but in sandy soil from excessive rain, but that the petitioners have been now harvesting their areca crop.

7. The sale that had been fixed for the 7th instant has been stopped. Orders are solicited as to whether the balance of Rupees 2275/- should be recovered at the end of 12 months i.e.,on the 7th November 1911 or in the current Official year in three equal instalments on the 1st December 1910, 1st February 1911 and 1st April 1911.

I have the honor to be,

Sir,

Your most obedient servant,

For Deputy Commissioner.
